

Technical Rider für **Luft & Lube**

EQUIPMENT

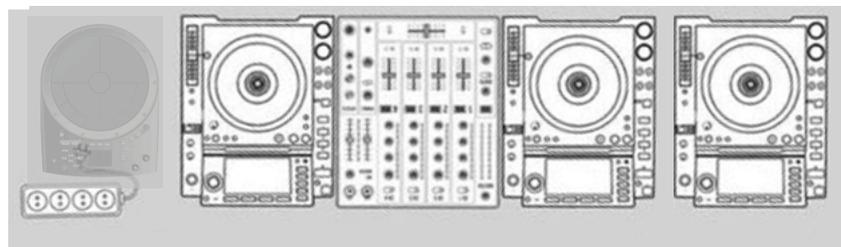

_Pioneer DJM-A9 / DJM-750MK2 / DJM-V10

_2x Pioneer CDJ 2000 Nexus 2 / 3000 / 3000X linked
(3x CDJ are always appreciated if possible)

_Monitoring with separated volume control from the mixer

We bring a Roland HPD-20 with all cables.
We need two free sockets.

Please get in touch if any of this is not possible.

Please ask before filming or recording!
